### Important Notes

- **Pricing Structure:** For courses longer than one year (e.g., 104 weeks), the "per year" fee is calculated by dividing the total tuition by the duration.
- **English Fees:** The fee for General English is highly variable based on the total number of weeks the student requires.
- **Additional Costs:** Please note that most courses also require an Application Fee (approx. \$250) and Material Fees (ranging from \$500 to \$1,500) which are typically paid upfront.
